Statement on Maintenance Capability List

It certifies that all items listed in this maintenance capability list are within the approved scope of maintenance organization certificate issued by CAAC (Certificate No. F00100723). It is guaranteed that the maintenance organization is qualified for housing & facility, tools & equipment, materials, airworthiness documentation and personnel listed in the maintenance capability list, has the working instruction as CCAR-145 requested in place and meets CCAR-145 requirements constantly.

Any change and revision of this maintenance capability list has to be reported to CAAC for approval.
